Dear Mr Marsden,

Stone Sailing Club has been approached by Jodie Green and her parents to hold a "420" Open at our club on the 15/16th October 2005. We have agreed to do this and wonder if you could advertise it on your website.

The first race will be at 1230 Hrs on Saturday with further races back to back. The first race on Sunday will be 1030 Hrs with further races back to back. There will be food available all day and a meal on the Saturday evening followed by a disco. Free camping is available on club grounds.

Entry fee is £25.00 per boat. We have very easy launching from a large beach at all states of tide and racing will be run from committee boat on Olympic type courses,

If you need any further information please do not hesitate to contact me on the above numbers. Whilst writing we would be interested in holding an "Open" for your class next summer if you are interested, if you are please e-mail me at c.b.bk@fsmail.net or again ring me. We are in the process of getting next years calendar ready. We have a busy year with three national championships being held, but would still love to see a "420" open at our club.

I look forward to hearing from in the near future.

Regards
Caroline Barnett
